Sir:

INFORMATION DISCLOSURE STATEMENT

Applicant submits herewith patents, publications or other information of which they are aware, which they believe may be material to the examination of the above-identified application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

This Information Disclosure Statement is not intended to constitute an admission that any patent, publication or other information referred to herein or submitted herewith is "prior art" for this invention unless specifically designated as such.

EL 967 912 026 45

In accordance with 37 CFR 1.97(g) and (h), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(b) exists.

Copies of the U.S. Patents listed on the PTO-1449 are not enclosed. However, copies of each of the other items listed are supplied herewith.

It is respectfully requested that the listed documents be considered and officially cited in examination of this application.

Respectfully submitted,

CHARLES B. SHEPARD et al
